Principal:
Tony Perry B.Sc. Hons.

I have worked with Reeson Education consistently since January 2008. Throughout this time they have provided an excellent service in sourcing replacement teachers for long and short term supply positions and for permanent positions.

All teaching staff supplied by Reeson have been well briefed and provided a good service to the College. The teachers have clearly been well vetted and matched to the details of vacancies provided. No staff have been sent to the College without having first been interviewed by the company and all requisite CRB checks having been completed.

A clear indication of the quality of the staff provided by Reeson is that approximately 50% of vacancies for September 2008 were filled by teachers introduced by the agency. Further Reeson is now my agency of first call for daily and short term supply requirements.

Yours sincerely

Vice Principal – Head of School
